## Your energy. Your choice.

PECO's Price to Compare (PTC) is the price you can use to evaluate offers from competitive energy suppliers. PECO's charges are passed directly to you at the exact cost we pay. The PTC changes quarterly, as market prices change. You can find it in the Message Center on your bill or at [peco.com/choice](https://peco.com/choice).

We encourage you to monitor your energy usage as seasons change and take advantage of PECO's energy efficiency programs. To learn more about PECO's programs that can help you save energy and money, go to the URL below.

\*Rules and rebates may change, and funds are limited and subject to availability. See full terms and conditions online or within the printer friendly applications. Must apply within 90 days of purchase.

## Utility scams are real

### 5 things you should know

1. PECO will **NEVER** require customers to pay with gift cards, pre-paid credit cards, bank transfers, cryptocurrency, or through money transfer services
2. PECO representatives will **NEVER** call you for bill payment in cash or a prepaid credit card
3. If you receive a suspicious phone call, text message, email, or have an unscheduled visit from someone in-person claiming to be from PECO, **DO NOT** share your information. Call PECO immediately
4. **NEVER** give out your bank account, credit card, utility account or billing information to an unverified person
5. Check your account **ANY TIME** at [peco.com](https://peco.com) or through the PECO mobile app or call PECO directly at 800-494-4000

PECO security teams constantly collect and monitor fraudulent activity and customer service reps are trained to help.
