

Frightened by hot water heating bills?

Scare them away with equipment upgrades and a \$350 PECO rebate

Cold showers can be a fright. Receive a \$350 rebate from PECO when you replace your old water heater with a more efficient heat pump water heater that uses up to 70% less energy than standard models.*

Soak up the savings with a heat pump water heater.

A family of four can save up to \$550 a year and more than \$5,600 over the unit's lifetime.*

Digital panel offers smart, flexible control and remote management.

No combustion means greater indoor air quality and safety.

High efficiency helps reduce your household's carbon footprint.
