

Understanding Your 2026 Electric Rates And How To Calculate Your Bill.

PECO is providing you, our residential customer, some basic information on how to calculate your unbundled electric bill. The two residential rate choices that are available to you are Residential Service (Rate R) and Residential Heating Service (Rate RH). A sample calculation of each rate is enclosed in this pamphlet. You can find out what type of service you currently have by looking just below the **Meter Information** on page 2 of your electric bill. If you have any questions concerning these rates on your bill, please contact a customer consultant at 1-800-494-4000.

For Rate RH, Winter Months are October through May, Summer Months are June through September.
