

# PECO - New Business

## Application for Electric Service & Meter (S&M)

M-24175 Rev. 8 / 3-2024

### INSTRUCTIONS:

Complete this application in its entirety and return **via EMAIL** to the appropriate PECO Office.

Incomplete information WILL result in a delay in processing your application.

All work must comply with [PECO's Electric Tariff](#), [PECO's Electric Service Requirements manual](#), PECO's Standards AND be inspected by an [approved inspection agency](#) (City of Philadelphia requests may be shared with Licenses & Inspections).

**Note:** Not all service voltages are available in all areas. **Before purchasing electrical equipment or proceeding with wiring, obtain information regarding service availability and meter location from PECO.**

**This application may be cancelled within 90 days of PECO's response date if no further communication is received.**

**NOTE:** For 'make-safe' requests (de-energize/cover lines) please click here: [Make Safe Website](#)

## New Business Hotline

# 1-800-454-4100

If demolishing a building and require electric or gas facilities removed: **Call: 8-1-1 (PA One Call) Demolition Requests**

**Select the appropriate PECO office from the selection below**
