# Energy@HOME™

MAY 2025

# Prepare for the summer heat

Take steps now so your home stays **comfortable and energy efficient** all summer long.

### Is your home wasting energy?

Schedule an energy assessment to find out how to save on your energy costs at **peco.com/Assessment**.

If you're an income-eligible customer, you may qualify for a free Energy Checkup! Learn more at **peco.com/FreeEnergyCheckup**.

### Instant savings on PECO Marketplace

Save with instant discounts on smart thermostats, air purifiers, dehumidifiers, and more. Shop online at **peco.com/Marketplace**.

### Rebates for energy efficient appliances

Find rebates for energy-saving home appliances or heating and cooling equipment. Apply at **peco.com/Rebates**.

Learn more about PECO's energy efficiency programs at **peco.com/WaysToSave**.

**PECO PARTNER**

## Get $4 off BODY WORLDS: VITAL at The Franklin Institute

Experience a look inside the human body and marvel at 20 awe-inspiring preserved full body models and 150 fascinating specimens.

**Use promo code BWVPEC25** to receive $4 off adult, daytime admission.

**Valid up to 4 tickets, discount only available online. Purchase tickets at fi.edu; cannot be combined with other offers or membership tickets. Discount expires August 3, 2025.*

# Give a PECO Gift of Energy

A gift for all PECO customers, for any occasion — and it's easy!

Make a payment toward a friend or family member's bill. It goes immediately and directly to their PECO account.

Perfect for any holiday, like Mother's Day or Father's Day. You can help a college student on a budget or simply say "Thank You."

The recipient will receive a certificate letting them know they've received a Gift of Energy. They'll see the gift as a credit on their next PECO bill.

To purchase, call **800-597-9514** or visit **peco.com/gift**.

## Plan Ahead: Electrical Safety@HOME

Planning a large project, like replacing the roof or siding on your home? Make safety a priority, especially around aerial power lines.

- If you need to work around aerial power lines, contact PECO New Business Services at 1-800-454-4100 at least 14 days in advance.
- For some projects, depending on the overall scope, additional lead time may be required, especially if construction occurs within seven feet of an aerial wire. Contractors need to inform PECO six to eight weeks in advance as poles and wires may need to be relocated.

Submit a request at **peco.com/MakeSafeRequest**
