FIN

| SPECIAL | PRFPARATORY | CONSIDERATIONS |
|---------|-------------|----------------|

Non-Sterile: HD and Non-HD

| Special Instruction: | This formula may contain one or more Active Pharmaceutical Ingredients (APIs) that may be classified as hazardous, please refer & verify the current NIOSH list of Antineoplastic and Other Hazardous Drugs in Healthcare Settings. At this time, General Chapter <800> Hazardous Drugs – Handling in Healthcare Settings is informational and not compendially applicable unless otherwise specified by regulators and enforcement bodies. For information on the scope, intended applicability, and implementation context for USP General Chapter <800>, see: <u>https://www.usp.org/compounding/general-chapter-hazardous-drugs-handling- healthcare</u> . | |
|----------------------|--|--|
| | This formula must be prepared within the appropriate facilities under adequate environmental conditions, following the necessary guidelines and procedures as stated within USP 795 and USP 800, when handling hazardous drugs. Only trained and qualified personnel must prepare this formula. | |
| | All required personal protective equipment (hazardous if applicable), such as but not limited to, lab coat, protective sleeves, gloves both inner and outer if applicable, dedicated shoe covers, hairnet, beard cover, eyewear, appropriate face mask, respirator and face shield, etc., where applicable must be worn at all times. | |
| | If applicable, follow all required procedures for hazardous drug handling including but not limited to procurement, transport, storage, preparation, dispensing, administration, clean up (spills) & disposal. | |
| | If you are a registered 503B facility, please refer to all relevant guidance documents including but not limited to the Code of Federal Regulations (CFR), Guidance for Industry (GFIs) and Compliance Policy Guides (CPGs). | |
| | This procedure requires the use of very small quantities of ingredients. All calculations and preparation techniques must be verified before dispensing the final product. | |
