

RELIABILITY SOLUTIONS

Reliable. Predictable.
Custom Tailored Around You.

ORIGINAL OEM PARTS

The use of original OEM parts for all repairs and replacements, maintaining the integrity and performance of your NASH equipment.

CERTIFIED SERVICE

Factory-trained service technicians and engineers with years of hands-on Nash experience and technical expertise.

Customized Coverage That Works For You

Choose from flexible contract term programs **ranging from 1 to 5 years**, giving you freedom to ensure consistent, reliable coverage that aligns with your business needs.

At Nash, we know your operations are unique. That's why our parts and service plans are fully customizable and designed to fit your exact equipment and maintenance requirements. We understand that no two applications are alike, which is why we create plans specific to your operations, at a fixed rate, so you can plan confidently and eliminate the stress of unexpected costs.

Expert Service Availability You Can Count On

With Nash, you can take the guesswork out of equipment maintenance. As a valued customer, you will benefit from original OEM parts and certified service.

When reliability, serviceability, and performance matter most, trust NASH—the name synonymous with rugged vacuum solutions for over a century.

What's Included In Our Parts & Service Plans

Customize your coverage with ease. Our parts and service plans offer flexible options that can be mixed and matched to fit your unique operational needs, giving you elevated control over your support strategy.
