

Help move your F&I numbers
with high-performing
F&I specialists.

**Supplement staffing with compliant F&I professionals
who can step in and deliver live deals.**

Don't let staffing gaps cost you.

- **Get proven F&I expertise** for a minimum of five days to months or longer.
- **Maintain momentum** during paid leave, emergencies, sales events, staffing transitions, and periods of growth.
- **Get more flexibility** than temp or permanent hiring.
- **Sustain performance** with retail-proven F&I professionals who bring between two and 25 years of experience.

Drive stronger results with embedded F&I expertise.

- **Support increased PVR and product attachment.**
- **Seamlessly integrate F&I specialists** directly into the finance office.
- **Deliver compliant, customer-focused deals.**
- **Elevate deal quality and customer satisfaction.**
- **Strengthen staff performance** through a demonstration of effective presentations.

Accelerate readiness with hands-on, two-day onboarding.

- **Support your established F&I process and systems** from the start.
- **Embed within your workflow and technology**, including all leading F&I menu and DMS platforms.
- **Align with your menu presentation**, products, and customer experience standards.

**Schedule an F&I
specialist for your
dealership.**

The engine behind stronger performance

Move your F&I numbers | Generate profit and wealth | Drive customer retention
