

## Why Payment Solutions?

### Comparing your options

Ingersoll Rand Payment Solutions provides a strategic advantage over other funding methods. Experience our seamless, hassle-free Equipment-as-a-Service (EaaS) solution from a leader in compressed air systems.

#### Work with a dedicated team

Ingersoll Rand Payment Solutions takes the time to learn about your industry and organization to develop a plan catered to your unique goals.

#### Customize your plan

Benefit from flexible payment schedules tailored to your organizations financial cycle and budgetary needs.

#### Gain financial predictability

Bundle PackageCARE, Ecoplant, and project soft costs (e.g. installation) into steady, fixed quarterly payments allow you to budget more predictably.

#### Diversify your credit lines

Achieve financial flexibility with a custom payment solution helps help you preserve capital and focus on investments that offer higher returns.
