4

Extended Warranty until 3 years for your peace of mind.

5

Factory Trained Robuschi Technicians: Our teams have the know how & experience that only comes with direct factory training & support, guaranteeing the best service for your equipment.

6

OEM Parts & Lubricants: All parts & Lubricants are genuine OEM. Service parts are warranted free from defects for a period of 6 months from fitment.

7

Additional Services upon Request: Oil analysis with report, vibration monitoring.

ROBUSCHI®

SERVICE PLAN

HOW DOES IT WORK?

ROBUSCHI **SERVICE PLAN:**

- **Robuschi SERVICE PLAN 3 years** is available for Robox Lobe and Robox Screw.
- Once your Robox Lobe/Screw Units has been installed on site, Robuschi Technicians will carry out the full range of required checks and commission the unit/s into service.
- After the 1st 500 hrs. of operation a Robuschi Technician will attend on site and carry out the required service operation/s and carry out a full function check.
- Until the Robox Lobe and / or Robox Screw unit undergoes its scheduled overhaul our technicians will carry out the required annual service operations.
- Your Robox Lobe and/or Robox Screw Unit is warrantied for the standard operational period of 12 months, this program extends this to a total of 36 months operation.
