Breaking Down Your Pepco Bill

Maryland Electric Customer

Throughout the year, your bill can go up or down based on several factors relating to usage, weather, the cost of electricity and changing rates. We know there are many parts to an electric bill but we're here to help. Get a better understanding of the details of your bill, including definitions and how each line item may affect you.

Your bill has a new look, featuring an easier-to-read first page.

The new format includes an enhanced bill summary and user-friendly graphics at a glance.

For more information about your bill visit **pepco.com/BillSupport**.

PAGE TWO

The remaining bill pages provide a complete breakdown of your energy charges.

Your electric bill for the period January 29, 2025 to February 25, 2025

Supply Charges: These charges reflect the cost of producing electricity for you. You can compare this part of your bill to offers from competitive suppliers.

Your Price to Compare is 11.96 cents (\$0.1196) per kWh. When shopping for electric suppliers, compare this price to those proposed by other suppliers. This price reflects the average annual amount a customer on this rate pays per kilowatt-hour for Electric Supply. For information on electric energy suppliers please visit

Billing Period: Jan 29, 2025 to Feb 25, 2025 (28 days)

You can help a Pepco customer in need of assistance with their energy bills by contributing to the Good Neighbor Energy Fund. Simply pay exactly \$1.00 over your Pepco bill amount and that dollar will be contributed to the Good Neighbor Energy Fund administered by a 501(c)3 non-profit organization in your community. Program contributions must be exactly \$1.00 over the billed amount; amounts over \$1.00 will not be identified as a program contribution and will result in a credit to your account. Pepco will match each donation by contributing a dollar to the fund, up to \$100,000.
