

Fast, Reliable

Results—when you need them most

PCR Panel Testing Now Available!

Get the answers you need—faster than ever.

Our state-of-the-art Physician-Operated Lab (POL) delivers most reference lab results in about **24 hours**, while competitors using third-party labs can take three or more days.

With a single swab, we can test for multiple viruses, including:

- Flu (A & B)
- Rhinovirus
- COVID-19
- Strep Throat
- RSV
- ...and more!

Immediate Results are available for flu, strep, RSV, rhinovirus, and COVID with our rapid point-of-care tests.

Why Choose Our PCR Panel Testing?

Faster, More Accurate Diagnosis

Identify multiple viruses with just one swab.
