

Performance You Can Count On. Protection You Can Trust.

ROOTS® Parts Plan

www.RootsBlower.com

Maintenance Made Easy. Reliability Made Certain.

Delivering Maximum Uptime & Peace of Mind

The ROOTS Parts Plan is our premium preventative maintenance program designed to keep your blower running at peak efficiency. This plan combines extended warranty coverage with scheduled service kits, ensuring long-term reliability and performance.

Available for ROOTS blowers across a range of sizes, the program even includes an amnesty option for units shipped within the last six months, so you can enroll retroactively. It's the smart, cost-effective way to safeguard your investment.

ROOTS Parts Plan Highlights

- Extended Factory Warranty Coverage – Up to 3 Years
- Three Annual Service Kits Delivered
- Oil Sampling for Condition Monitoring
- Easy Distributor-Activated Registration

Elite Protection & Performance Without Compromise

Stay Ahead of Wear. Stay Ahead of Downtime.

ROOTS makes maintenance predictable and stress-free. With scheduled kits delivered annually, you'll always have the right parts at the right time. No surprises, no scrambling.

How It Works: Protecting Your Blower Made Easy

ROOTS Parts Plan Service Kits Include

- ROOTS-approved lubricant (quantity varies by model)
- Sight Glasses
- Grease
- Oil Seals
- Gaskets
- Maintenance Instructions

Designed for Efficient & Worry-free Maintenance

Reliability Starts With The Right Parts Plan Kit

Selecting the correct kit is essential to keep your ROOTS blower operating at peak performance. Each kit is engineered to match specific blower models, ensuring you receive the right parts, lubricants, and components for your equipment. Simply locate your blower's model and serial number, then use the tables to identify the kit option designed for your unit. With the right kit, maintenance becomes predictable, efficient, and worry-free.

Service Kits Includes:

- Instructions
- Sight Glasses
- Oil
- Oil Seal
- Gasket

Dual Splash Oil Lubricated Blowers			
Blower Model	Kit Contents		Part No.
