| <b><u>Product Code</u></b> | <b><u>Product Description</u></b> |
|----------------------------|-----------------------------------|
| FDH006AC-AB                | DH 006AC duplex                   |
| FDH009AA-CB                | DH009AA                           |
| FDH009ACS-AB               | DH009ACS                          |
| FDH009AO-CB                | DH009AO                           |
| FDH009K-PB                 | DH 009PF                          |
| FDH013AC-AB                | DH 013AC duplex                   |
| FDH017AA-CB                | DH017AA                           |
| FDH017ACS-AB               | DH017ACS                          |
| FDH017AO-CB                | DH017AO                           |
| FDH017K-PB                 | DH017PF                           |
| FDH025AC-AB                | DH 025AC duplex                   |
| FDH030AA-CB                | DH030AA                           |
| FDH030ACS-AB               | DH030ACS                          |
| FDH030AO-CB                | DH030AO                           |
| FDH030K-PB                 | DH030PF                           |
| FDH040AC-AB                | DH 040AC duplex                   |
| FDH058AA-CB                | DH058AA                           |
| FDH058ACS-AB               | DH058ACS                          |
| FDH058AO-CB                | DH058AO                           |
| FDH058K-PB                 | DH058PF                           |
| FDH085AC-AB                | DH085AC duplex                    |
| FDH145AA-CB                | DH145AA                           |
| FDH145ACS-AB               | DH145ACS                          |
| FDH145AO-CB                | DH145AO                           |
| FDH145K-PB                 | DH145PF                           |
| FDH220AA-CB                | DH220AA                           |
| FDH220ACS-AB               | DH220ACS                          |
| FDH220AO-CB                | DH220AO                           |
| FDH220K-PB                 | DH220PF                           |
| FDH330AA-CB                | DH330AA                           |
| FDH330ACS-AB               | DH330ACS                          |
| FDH330AO-CB                | DH330AO                           |
| FDH330K-PB                 | DH330PF                           |
| FDH430AA-CB                | DH430AA                           |
| FDH430ACS-AB               | DH430ACS                          |
| FDH430AO-CB                | DH430AO                           |
| FDH430K-PB                 | DH430PF                           |
| FDH620AA-CB                | DH620AA                           |
