

SRP PROJECT RED HAWK ROUTE TOUR DIRECTIONS

From the Superstition Springs Golf Club (6542 East Baseline Road, Mesa, AZ 85206), exit the building to the south and meet in the parking lot. Exit the parking lot to the east and turn left onto Baseline Road and travel east for approximately 0.2 miles to the intersection at Power Road. Turn right onto Power Road and travel south for 1.0 miles to the intersection at Guadalupe Road. Turn left onto Guadalupe Road and travel east for 0.25 miles (just past Highland Jr. High School) to the Gilbert Public Schools private road and turn right. Continue past the Transportation Center to the Operations Center. Park at the southeast corner of the parking lot. Travel time to Observation Point 1: approximately 10 minutes.

1 OBSERVATION POINT 1: The Project Red Hawk site is to the south and east. The approximate location of the switchyard would be just to the east of the Gilbert Public Schools' property.

Leave the Operations Center parking lot and return to Guadalupe Road. Turn right and travel east on Guadalupe Road for approximately 0.75 miles to the intersection at Sossaman Road. Turn right onto Sossaman Road and travel south for approximately 0.4 miles to the intersection at Peralta Avenue. Turn right onto Peralta Avenue and travel west for approximately 0.34 miles. Go around the roundabout and safely park. The destination is on the right. Travel time to Observation Point 2: approximately 8 minutes.

2 OBSERVATION POINT 2: The Project Red Hawk site is to the south and the approximate location of the switchyard would be to the southwest interconnecting with the existing Santan-Browning 230kV transmission line (the closest transmission line to you).

Travel east on Peralta Avenue for approximately 0.34 miles to the intersection at Sossaman Road. Turn right on Sossaman Road, then an immediate left into the parking lot of the Paloma Community Church (3215 South Sossaman Road) and Observation Point 2. Travel time from Observation Point 2 to Observation Point 3: approximately 2 minutes.

3 OBSERVATION POINT 3: Looking west and southwest, the Project Red Hawk site would be on the west side of Sossaman Road.

Exit the Paloma Community Church parking lot and turn left and travel south on Sossaman Road for approximately 0.5 miles to the intersection at Elliot Road. Turn right onto Elliot Road and travel approximately 0.25 miles and safely turn left onto the graveled road easement on the south side of Elliot Road just past the Arizona Dairy entrance to Observation Point 4. Travel time from Observation Point 3 to Observation Point 4: approximately 2 minutes.

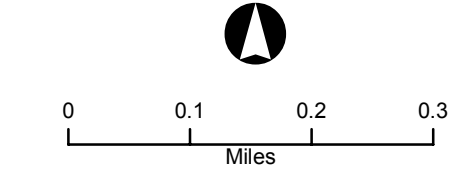

4 OBSERVATION POINT 4: Looking north and northwest, the Project Red Hawk site would be on the north side of Elliot Road and west of Sossaman Road and west up to the Roosevelt Water Conservation District Canal.

From Observation Point 4 turn left and travel west along Elliot Road for approximately 0.75 miles to the intersection of Power Road. Turn right onto Power Road and travel north for approximately 2.0 miles to the intersection at Baseline Road. Turn left onto Baseline Road and travel for approximately 0.2 miles to the Superstition Springs Golf Club. Travel time from Observation Point 4 to Superstition Springs Golf Club: approximately 7 minutes.
