B. IMPORTANT TERMS AND CONDITIONS

1. To qualify for an SRP Heat Pump Water Heater Rebate, the participant must:
 - a. Be a permanent SRP residential electric customer and reside in a single-family detached home, single-family attached home, mobile home or an apartment/condominium.
 - b. Install a new ENERGY STAR® rated heat pump water heater (HPWH) that meets program requirements. The rebate application must be submitted within six months of the installation date. For current program requirements, rebate amounts and program effective dates, go to **savewithsrp.com** or call **(602) 264-3108**.
 - c. With the assistance of your contractor or installer, submit a completed rebate application and a dated copy of the paid invoice.
 - d. Abide by the rules and rebate levels in effect at the date of installation.
 - e. Allow SRP or its agent to inspect the installed HPWH to verify compliance with all rebate program requirements.
 - f. Have the HPWH installed by a contractor licensed to install residential plumbing by the Arizona Registrar of Contractors. Please call the SRP Heat Pump Water Heater Rebate answer line at **(602) 264-3108** for more information.
2. To qualify for an SRP Heat Pump Water Heater Rebate, the installing contractor must:
 - a. Complete the Contractor/Installer and Heat Pump Water Heater Information sections of the rebate application.
 - b. Replace your current water heater with a new ENERGY STAR certified HPWH that meets minimum efficiency ratings with a Uniform Energy Factor (UEF) of 2.8 or better. Visit the ENERGY STAR Find and Compare Products webpage at **energystar.gov/productfinder/product/certified-waterheaters** and search for heat pump water heaters that meet the specific program requirements.
 - c. Install the HPWH in a home that has had permanent electric service from SRP for more than one year. Rebates are not available for new construction.
3. SRP customers are eligible for an SRP Heat Pump Water Heater Rebate every 10 years.
4. Failure to provide any of the required information, including signatures, will result in the return of the rebate application.
5. Program procedures, requirements and rebate levels are subject to change or cancellation without notice.
6. One rebate check will be issued per approved application to the person listed as the customer of record on the SRP account.
7. SRP makes no representations and provides no warranty or guarantee with respect to the design, manufacture, construction, safety, performance or effectiveness of the HPWH, including any warranties of merchantability or fitness for a particular purpose. The contractor selected by the customer is solely responsible for the proper installation of the HPWH as well as the delivery and workmanship related to any equipment or services the customer procures. The customer is responsible for the selection and supervision of the contractor to ensure that the contractor complies with the requirements of the SRP Heat Pump Water Heater Rebate Program. SRP assumes no responsibility for the quality or oversight of contractor services.
8. The Terms and Conditions set forth herein constitute a complete statement of the Terms and Conditions applicable to this promotion and supersede all prior representations or understandings, whether written or oral. SRP shall not be bound by or liable for any statement, representation, promise, inducement or understanding of any kind that is not set forth herein. SRP reserves the right to change or cancel this promotion or its Terms and Conditions at any time.
