This Privacy Policy can be updated from time to time and, therefore, we ask you to check back periodically for the latest version of this Privacy Policy. If we implement material changes in the way we use your information, in a manner that is different from that stated at the time of collection, we will notify you by posting a notice on our Website or by other means and take any additional steps as required by applicable law.

1. WHAT INFORMATION WE COLLECT, WHY WE COLLECT IT, AND HOW IT IS USED

(i) We Process the Following Personal Information:

- a. **Information provided through the Services.** We collect personal information that you voluntarily provide such as your full name, user name, phone number, email address, password, as well as any other information that you decide to provide us with, in order to create your account and manage the Services.
- b. **Information provided through the Website.** When you use the Website, we collect and process your full name, email address, company name and any other information that you decide to provide us with; when you interact with the Website, for example, when you send us a request for a demo or contact us.

- c. **Information automatically collected.** We will automatically collect certain information through your use of Ecoplant's Services and Website, such as cookie, pixels, tracking technologies and similar identifiers ("**Technologies**"), your Internet protocol (IP) address, and other device identifiers that are automatically assigned to your device, browser type and language, geo-location information, hardware type, operating system, internet service provider and other information about actions taken through the use of the Services and Website.
- d. **Information from Other Sources.** Ecoplant will also obtain information about you from other sources, including publicly - or commercially- available information, and through third-party data platforms, partners and service providers.
- e. **Information you provide to us in person.** For example, when you visit one of our exhibition booths or attend one of our events and you provide us with your contact details. We will use this information to answer your enquiries or provide additional information to you.
- f. **Information we collect from online interactions.** For example, if you attend a webinar, contact us via social media or otherwise interact with our business, including as a representative of a current / prospective customer, supplier or partner, we track and make a record of those interactions, which may contain your contact details, such as full name, email address, messages and any other information that you decide to provide us with.

(ii) **We process information for the following purposes:**

- a. **To provide you with the Services.** We will use the information, including, without limitation, for the following purposes: (i) allow you to create an account; (ii) to provide you the Services and to process your requests; (iii) communicate with you about your use of the Services and for support purposes; (iv) fulfill any instruction and/or request made by you in the context of the Services; (v) send you push notifications and/or emails and/or SMSs and notifications regarding your account or certain features of the Services, including, updates pertaining to your subscription, and related to the services we provide you with; (vi) to personalize your experience with our Services; and (vii) to generally administer and improve the Services;
- b. **To allow you to make use of our Website.** We will use your information to allow you to make use of our Website, including, (i) if you request a demo, we will use your personal information to process and answer your request for a demo; (ii) to answer your questions and to allow you to communicate with us (e.g., by using the Website chat); (iii) to analyze your use of our Website and to improve our Website; and (iv) to customize your experience.
- c. **For Administrative Purposes.** Ecoplant will use your information (i) to respond to your questions, comments, and other requests for customer support, or information, including information about potential or future services; (ii) to provide you with the Ecoplant's Services; (iii) for internal quality control purposes; (iv) to establish a business relationship; and (v) to generally administer the Ecoplant Services.
- d. **To Market our Website and Services.** Ecoplant will use information to market the Ecoplant Services. Such use includes (i) notifying you about offers and services that may be of interest to you; (ii) developing and marketing new products and services, and to measure interest in Ecoplant's services; (iii) other purposes disclosed at the time you provide information; and (iv) sending you a newsletter.
- e. **Security purposes.** Some of the abovementioned information will be used for detecting, taking steps to prevent and prosecuting fraud or other illegal activity; to identify and repair errors; to conduct audits; and for security purposes. Information may also be used to comply with applicable laws, with investigations performed by the relevant authorities, law enforcement purposes, and/or to exercise or defend legal claims.
- f. **De-identified and Aggregated Information Use.** In certain cases, we may or will anonymize or de-identify your Information and further use it for internal and external purposes, including, without limitation, to analyze and improve Ecoplant services (including through the use of artificial intelligence) and for research purposes. We may use this anonymous or de-identified information and/or disclose it to third parties without restrictions (for example, in order to improve our services and enhance your experience with them and/or to develop new product features and improve existing offerings).
- g. **Cookies and Similar Technologies.** We, as well as third parties that provide content, advertising, or other functionality on the Ecoplant Website and Services, use Technologies to automatically collect information through the Website and Services. We use Technologies that are essentially small data files placed on your device that allow us to record certain pieces of information whenever you visit or interact with the Website and Services. If you would like to opt out of the cookies and similar

technologies we employ on the Website and Services, you may do so by blocking, deleting, or disabling them as your browser or device permits or by changing your setting and preferences. For farther information, please visit our Cookies Policy.

(iii) **The lawful bases we rely on for processing personal information are (if and when applicable):**

- a. The data subject has given consent to the processing of his or her personal data;
- b. Processing is necessary for the performance of a contract to which the data subject is party or in order to take steps at the request of the data subject prior to entering into a contract; and/or
- c. Processing is necessary for the purposes of the legitimate interest.

2. HOW WE PROTECT AND RETAIN YOUR PERSONAL INFORMATION

- 2.1. Security. We have implemented and maintain reasonable technical, organizational and security measures designed to protect your information. However, please note that we cannot guarantee that the information will not be compromised as a result of unauthorized penetration to our servers. As the security of information depends in part on the security of the computer, device or network you use to communicate with us and the security you use to protect your user IDs and passwords, please make sure to take appropriate measures to protect this information.
- 2.2. Retention of your information. Your information will be stored until we proactively delete it, or you send a valid deletion request. Please note that in some circumstances we may store your information for longer periods of time, for example (i) where we are required to do so in accordance with legal, regulatory, tax or accounting requirements, or (ii) for us to have an accurate record of your dealings with us in the event of any complaints or challenges, and/or (iii) if we reasonably believe there is a prospect of litigation relating to your information or dealings.

3. HOW WE SHARE YOUR PERSONAL INFORMATION

In addition to the recipients described above, we will share your information as follows:

- 3.1. The information Ecoplant gathers is shared with our partners and other third parties.
- 3.2. We will also share information with our affiliated companies about you.
- 3.3. We will use third party service providers to process your information for the purposes outlined above, including, without limitation:
 - 3.3.1. With cloud service providers for hosting purposes;
 - 3.3.2. With websites and web content creation platforms in order to help us manage our Website;
 - 3.3.3. With email providers, marketing, CRM, other similar tool providers;
 - 3.3.4. With analytic companies, in order to help us understand and analyze information we collect in accordance with this policy; and
- 3.4. To the extent necessary, with regulators, courts, banks or competent authorities, to comply with applicable laws, regulations and rules (including, without limitation, federal, state or local laws), and requests of law enforcement, regulatory and other governmental agencies or if required to do so by court order, as well as for internal compliance procedures and to protect the safety, security, and integrity of Ecoplant, our Services, customers, employees, property, and the public.
- 3.5. If, in the future, we sell or transfer, or we consider selling or transferring, some or all of our business, shares or assets to a third party, we will disclose your information to such third party (whether actual or potential) in connection with the foregoing events (including, without limitation, our current or potential investors). In the event that we are acquired by, or merged with, a third party entity, or in the event of bankruptcy or a comparable event, we reserve the right to transfer, disclose or assign your information in connection with the foregoing events.
- 3.6. Where you have otherwise provided your consent to us for sharing or transferring your information.

4. YOUR PRIVACY RIGHTS

- 4.1. The following rights (which may be subject to certain exemptions or derogations) shall apply to certain individuals (some of which only apply to individuals protected by specific laws):
- i. You have the right to withdraw consent to the processing, where consent is the basis of processing.
 - ii. You have the right to access the personal information that we hold and request further details about how we process it, under certain conditions.
 - iii. You have the right to demand rectification of inaccurate personal information about you. We will promptly correct any information found to be incorrect.
 - iv. You have the right to object to unlawful data processing under certain conditions.
 - v. You have the right to the erasure of past data about you (your “right to be forgotten”) under certain conditions.
 - vi. You have the right to demand that we restrict the processing of your personal information, under certain conditions, if you believe we have exceeded the legitimate basis for processing, the processing is no longer necessary, or if you believe your personal information is inaccurate.
 - vii. You have the right to data portability of personal information concerning you that you provided us in a structured, commonly used, and machine-readable format, subject to certain conditions.
 - viii. The personal information we collect is not used for automated decision-making and profiling, except for automated processes in the context of marketing. As stated above, you can opt out of direct marketing by Titan by contacting Titan directly or by following the instructions through the unsubscribe options in our email messages.
- 4.2. You can exercise your rights by contacting us at privacy@ecoplant.co. You may use an authorized agent to submit a request on your behalf if you provide the authorized agent written permission signed by you. To protect your privacy, we may take steps to verify your identity before fulfilling your request. Subject to legal and other permissible considerations, we will make every reasonable effort to honor your request promptly in accordance with applicable law or inform you if we require further information in order to fulfil your request. When processing your request, we may ask you for additional information to confirm or verify your identity and for security purposes, before processing and/or honoring your request. We reserve the right to charge a fee where permitted by law, for instance if your request is manifestly unfounded or excessive. In the event that your request would adversely affect the rights and freedoms of others (for example, would impact the duty of confidentiality we owe to others) or if we are legally entitled to deal with your request in a different way than initially requested, we will address your request to the maximum extent possible, all in accordance with applicable law.
- 4.3. **Deleting your account:** Should you ever decide to delete your account, you may do so by emailing privacy@ecoplant.co. If you terminate your account, any association between your account and personal data we store will no longer be accessible through your account. However, given the nature of sharing on certain services, any public activity on your account prior to deletion will remain stored on our servers and will remain accessible to the public.
- 4.4. **Marketing emails – opt-out:** You may choose not to receive marketing email of this type by sending a single email with the subject "BLOCK" to privacy@ecoplant.co. Please note that the email must come from the email account you wish to block OR if you receive an unwanted email from us, you can use the unsubscribe link found at the bottom of the email to opt out of receiving future emails, and we will process your request within a reasonable time after receipt.

5. INTERNATIONAL TRANSFERS OF PERSONAL INFORMATION

- a) We store the personal information with the following storing companies: Amazon Web Services– North Virginia – US
- b) In order to run our business and provide our Website and Services to you, we transfer personal information to certain countries around the world, including to our affiliates and service providers, many of whom are located outside of your jurisdiction. Therefore, your personal information may be processed in countries with privacy laws that are different from privacy laws in your country. Whenever we make such transfers, we will use commercially reasonable efforts to implement an appropriate level of protection to your personal information by implementing at least one of the following safeguards:
 - i. making sure the destination country has been deemed to provide an adequate level of protection for personal information; and/or
 - ii. by implementing data onward transfer instruments such as data processing and protection agreements.

6. USE BY CHILDREN. We do not offer our products or services for use by children and, therefore, we do not knowingly collect information from, and/or about children under the age of 18.
