

E Series Explosion-Proof Metering Pump

In workspaces where safety is critical, our E Series Explosion-Proof Pumps provide a shield of protection for your chemical processes. Designed for reliability, these pumps stand up to the challenge in environments where the standard safety measures just won't cut it.

Key Features

- ✓ Robust, urethane-coated cast housing designed for hazardous environments and outdoor use
- ✓ Certified for Class I, Division I, Groups C and D as well as Class II, Division I, Groups E, F, and G
- ✓ Manual or external control options without costly explosion-proof motors
- ✓ UL and CUL certified

Benefits

- ✓ Provides reliable performance in hazardous duty operations
- ✓ Ensures safety in environments where standard measures are insufficient
- ✓ Flexible control options reduce system complexity
- ✓ Durable construction increases service life

Applications

E Series Explosion-Proof Metering Pump

PERFORMANCE OVERVIEW

Model	Max Output		Max Pressure	
	GPH	l/h	PSI	Bar
E70	1.3	4.9	300	20.7
E71	2.5	9.5	150	10.3
E72	4	15.1	100	6.9
E73	8	30.3	60	4.1
E74	20	76	25	1.7

About Ingersoll Rand Inc.
